

# SVSU Master of Public Health

---

- SVSU offers the region's most flexible online MPH degree at the lowest tuition rates in Michigan.
- SVSU's MPH program incorporates current and relevant public health issues into coursework and allows students to focus on a public health topic of their interest.
- SVSU's MPH program can be completed in just two years, making it a convenient and cost-effective graduate degree option.
- For more information and to meet with SVSU's Admissions Coordinator and MPH Program Coordinators please refer to our webpage, <https://www.svsu.edu/mph/>
